FOR YOUR KIND ATTENTION

It has been observed often that some Foreign Passed out Medical Graduates are submitting forged/Fake passing out certificates of Screening Test conducted by National Board of Examination (NBE), New Delhi while submitting their forms for registration with Manipur Medical Council (MMC). Such fake certificates were verified by NBE too and the Council had rejected such applications.

It is for the information of the general public and for the wrong doers in particular not to repeat such unlawful mischievous acts in future or else, the Council may be compelled to publish the names of the wrong doers in the public, which may be injurious to the image of the potential Doctors and their family.
